

QUALITY-SYSTEM APPROVAL

according to Marine Equipment Directive

NOTIFIED BODY 0809

This is to certify that the manufacturer

Paroc Ab

operates an approved quality system for

**non-combustible stone wool insulation materials,
faced stone wool products with low flame spread characteristics and
"A" and "B" class divisions, fire integrity.**

The examined quality system meets the provisions of The Marine Equipment Directive 2014/90/EU,
that apply to

production-quality assurance (module D).

The manufacturer is allowed to affix the U.S. Coast Guard approval number (according to this certificate) as allowed by the "Agreement between the European Community and the United States of America on Mutual Recognition of Certificates of Conformity for Marine Equipment" signed February 27, 2004 and amended by Decision No.1/2018 signed February 18th 2019.

The certificate was issued on June 8, 2021

The Certificate is valid until May 10, 2023 unless cancelled or revoked.

Manufacturer	Paroc AB, SE-53394 Hällekis, Sweden
Regulation Item	Item MED /3.13, non-combustible materials. Item MED /3.18, surface materials with low flame-spread characteristics. Item MED /3.11, "A" and "B" Class divisions.
Products and Type Examination Certificates	Products and Type Examination Certificates are listed in Table 1 in ANNEX 1.
Approved application	Products concerning Item MED/3.11 are to be assembled in accordance with the test reports mentioned in the appropriate EC Type-Examination Certificates.
Quality-system assessment reports	Remote audit of the Paroc AB Hällekis plant on November 4, 2020. Inspection report of Eurofins Expert Services Oy. No. EUFI29-20005194-I5, dated December 5, 2020.
Conditions	The manufacturer must fulfil the obligations arising out of the approved quality system. The manufacturer must keep the notified body informed of any updating of the quality system. This approval is subject to an annual renewal audit.
Notes	This certificate authorizes the manufacturer or his authorized representative established within the Community in conjunction with the EC Type Examination (Module B) Certificate of the equipment listed in the appendix of this certificate to affix the "Mark of Conformity" (wheelmark). This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with the notified body named in this certificate and after lapse of time, withdrawal or revocation of the EC Type Examination (Module B) Certificate.

END OF CERTIFICATE
