

CERTIFICATE OF FIRE APPROVAL

This is to certify that

The product(s) detailed below will be accepted for compliance with the applicable Lloyd's Register Rules and Regulations for use on offshore installations classed with Lloyd's Register, and for use on offshore installations when authorised by contracting governments to issue the relevant certificates, licences, permits etc.

Manufacturer	Paroc Group Oy
Address	Energiakuja 3 P.O Box 240 FIN-00181 Helsinki Finland
Type	H-60 DECK
Description	Fire Resisting Steel Deck insulated on the underside with - Type: "PAROC Marine Fire Slab 100 (45+45mm)"
Specified Standard	UK Department of Energy Hydrocarbon Time/Temperature Relationship and IMO Resolution A.754(18) Performance Criteria

The attached Design Appraisal Document forms part of this certificate.

This certificate remains valid unless cancelled or revoked, provided the conditions in the attached Design Appraisal Document are complied with and the equipment remains satisfactory in service.

Date of issue	8 September 2015	Expiry date	7 September 2020
Certificate No.	SAS F150211	Signed	
Sheet No	1 of 2	Name	B. Geary Surveyor to Lloyd's Register EMEA A Member of the Lloyd's Register Group

Note:

This certificate is not valid for equipment, the design or manufacture of which has been varied or modified from the specimen tested. The manufacturer should notify Lloyd's Register of any modification or changes to the equipment in order to obtain a valid Certificate.

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as the 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

APPROVAL DOCUMENTATION

RINA Fire Protection Laboratory, Genova, Italy; Fire Test Report No. 2009CS01666/3 dated 15 April 2009.

CONDITIONS OF CERTIFICATION

1. Consisting of: 4.5mm thick steel deck insulated on the underside with two layers of PAROC Marine Fire Slab 100 insulation with staggered joints, each layer 45mm thick, density 100 kg/m³ retained by 3mm diameter steel pins and washers at maximum spacing of 300mm and steel wire mesh. Pins to be provided within 75mm of slab edges.
2. The insulation is to be fitted to the fire exposed side in all cases.
3. Production items are to be manufactured in accordance with a quality control system which shall be maintained to ensure that items are of the same standard as the approved prototype.

PLACE OF PRODUCTION
