

Certificate

Indoor Air Comfort

Rendered facade insulation

Certified Product

Paroc Group Oy

Energiakuja 3, P.O. Box 240, 00181 Helsinki. Finland

Applicant

The above product complies with the Indoor Air Comfort specifications, version 2026. These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals.

Indoor Air Comfort combines all mandatory European regulations on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances are not combined or evaluated.

The following VOC regulations are combined and the certified product shows compliance with these VOC emission related limit values:

AgBB/ABG (Germany)
Belgium Regulation
EU Taxonomy Regulation
France VOC class A
Italian CAM Edilizia
REACH Formaldehyde Regulation

Issue date: 09 June 2026

Validity date: 09 June 2031

Product category: Insulation Materials

Certificate number: IAC-339-02-08-2026

This certificate is valid as specified if regular surveillance and testing is done.
